## INOXICATIONS WITH PARAMETHOXYAMPHETAMINE (PMA)

|   |    |
|---|----|
| Dariusz Błachut, Bogdan Szukalski, Agnieszka Siwińska-Ziółkowska, Emilia Widecka: Application of the fluorescence polarization immunoassay and chromatographic methods for determination of p-methoxyamphetamine (PMA) and p-methoxymethamphetamine (PMMA) in urine and non-biological material ..... | 13 |
| Wojciech Lechowicz, Ewa Chudzikiewicz, Ewa Janowska, Roman Stanaszek: p-methoxyamphetamine (PMA) and other phenylalkylamine intoxications. Case reports .....   | 29 |
| Marek Wiergowski, Krystyna Reguła, Beata Szpiech, Jacek Sein Anand, Wojciech Waldman: Fatal intoxications with paramethoxyamphetamine in Pomerania district and possibility of fast and authoritative diagnosis of poisonings with solid phase microextraction method (SPME) .....                    | 37 |
| Agnieszka Siwińska-Ziółkowska, Emilia Widecka-Deptuch: Cases of fatal p-methoxyamphetamine (PMA) and p-methoxymethamphetamine intoxication in the material of the Department of Forensic Medicine, Medical University in Warsaw .....   | 47 |

## ORIGINAL PAPERS

|   |    |
|---|----|
| Wanda Dyr, Wojciech Kostowski: WHP and WLP selected rats: persistent changes in intake of ethanol phenotype .....   | 59 |
| Barbara Woynarowska, Joanna Mazur: Intention to smoke in the future among 15-year-old adolescents and its some determinants .....   | 71 |
| Ewa Taracha, Bogusław Habrat, Jarosław Smela, Wojciech Gruszczyński: Screening of alcohol abuse in soldiers. The application of determination of $\beta$ -hexosaminidase activity in urine as a marker of chronic alcohol use ..... | 83 |
| Andrzej Jakubik, Ewa Kraszewska: Alien syndrome in alcohol dependent men .  | 95 |

## CASE STUDY

|   |     |
|---|-----|
| Jacek Sein Anand, Zygmunt Chodorowski: An interaction of melatonin with alcohol – a case report ..... | 107 |
